# Please note that NRA membership is mandatory!

If you are not a NRA member you may apply at the club with your membership. Your application will then go thought at the next meeting; however, if you apply online you will have to wait until you have your NRA card (and NRA number) to join. Recently this has taken several weeks or longer due to the recent political claimant. Therefore it is recommended that you join though our club in order to expedite your application.

Thank you
